Area Games for the **Special Olympics bowling** were a blast! Everyone had such a good time, and now they are gearing up for **State Bowling** coming up the **first weekend of October!** Our teams will be traveling to **Casper, Wyoming** to show us what they've got! Big shoutout to all the parents, relatives, and friends showing support, you guys are awesome!

Just a reminder, our **Comedy Night** to raise money for **Special Olympics** is coming up, and we would love to see everyone there! We have some amazing talent, **Tony Deyo** and **John Felts**, to help us out with what is going to be an awesome night! Tickets are **\$25 for singles, \$40 for couples, and \$35 at the door**. It will be at the **Broadway Theatre at 618 Broadway Street** in Rock Springs. Doors open at **6 pm**, so don't be late! If you have any questions, we can sure answer them! There is going to be a super fun **Halloween party on Halloween from 3-5** at the **Holiday Inn in the Ballroom**. Make sure you wear your best costume! There will be games and trick or treating for the kids! There will also be pizza, games, snacks, a live DJ, and of course, Karaoke!

Our Staff of the Month for September was Sherry Moreno! She has been with us for almost 2 years! She tackles every problem head on, and nothing can stop her. Thank you so much Sherry!

Prom is so close! Day Hab has been working on many different crafts, and several other participants have joined in to make some awesome decorations. It is going to be a magical night! Our theme is "**Under the Sea**". The magic will take place on **November 3, 2017**, from **5-9 pm** at the **WWCC Atrium**. We will have a BBQ dinner for everyone attending! Did you know that **apples** are not as healthy for pets as they are for humans? While an apple a day might keep the doctor away for us, our fluffy family members don't benefit as much as we do. Apples are not harmful in small doses, but **don't feed dogs too many**, and cats probably won't even like them anyways!

Do you keep your children's **school supplies** in a place where your pets can snatch them? Might be a good idea to **move backpacks and other school supplies out of reach**, so your children won't have to say "the dog ate my homework!" to their teachers.
